It is hard to believe we are starting our 3rd week of school already. The students continue to amaze me each and every day. They are learning the classroom procedures and our daily routine.

Your child's goal has been set for the Accelerated Reading (AR) program for this quarter. I am happy to report the students are approaching this with a lot of enthusiasm, even to the point of requesting on their own to take tests on the books they've read.

Milk Break

With lunch at 11:00 a.m. first graders are often hungry by early afternoon. Milk break gives them a boost to get them through the rest of the day. Milk cost \$19.00/semester or \$38.00/year.

If you should have any questions about anything, please do not hesitate to stop by our classroom or call. Contact Information
