WALKING FIELD TRIP

Tomorrow, Wednesday, May 14th we will walk to Medicine Arrow Park at 11:15 a.m. We are going to picnic on hotdogs, chips, s'mores and lemonade. After lunch we will take a walking history tour of Cheyenne Wells led by David Larsen. We will stop at the Bottle Barn for ice cream between 1:15-1:30 p.m. At 2:00 p.m. we will meet Rayetta Palmer at the museum for a quick tour. We will head back to school around 2:30 p.m. I have made arrangements for a bus if the weather does not cooperate.

Second Graders Adopt a Gorilla

Our fundraising efforts paid off!! We are the proud adoptees of a silverback gorilla named Rano. He is protected by The Dian Fossey Gorilla Fund at the Karisoke Research Center in Rwanda. All proceeds go directly to the staff that maintain a 24 hour watch over the gorillas. We feel we have made a very important contribution toward their efforts. Since the center opened the mountain gorilla population has increased by over 100 gorillas.

Please Join Us!

AS The second graders present "Jack, dustin, and the beanstalk" at 8:30 a.m. and 10:00 a.m., Thursday, May 15th.

Summer Birthday Celebration

We will celebrate summer birthdays on Thursday, May 15th You may send treats with your child so that they can celebrate their special day with their classmates.

THE ZOO

The day was perfect. It started out a little cool, but warmed nicely. Thanks to all our parents that went along. This enabled small groups of students to break off with an adult and explore the zoo at their own pace. Pam Walter was a great bus driver.

IT'S SUMMER!! Enjoy reading, relaxing

and just being a kid.
