## A BIG Thank You to the Parents!

Thank you parents for everything you have done to make my first year of teaching a great one! Your support and cooperation have been greatly appreciated! Also, thank you for being so flexible this year. I know it got crazy at times, but we made it! I look forward to keeping in touch with each of you next year! It was a pleasure to have your child in my class, and I am excited to watch them as they continue to grow.

## Have a happy and safe summer!
