## Homework

Homework is an important part of third grade. Most students are doing a great job of completing and returning homework, but we have been missing some assignments. Students will have math homework EVERY night! Please reinforce the importance of homework and the responsibility they must show by turning it in daily! Thank you for your help in this matter!

We still need parent volunteers to help with Holiday parties. Please stop by our room if you haven't already!

## Spelling

How do I help my son or daughter study for their spelling test? Each Wilson Unit you will see a list of spelling words come home in Tuesday Express. This will probably be every other week. The students will be studying a concept rather than specific words. Help them learn the concept rather than memorize spelling. This method of studying is more applicable to real-life and is a better strategy to learn spelling. The list you see today will be tested at the end of the Unit. The Unit should last about 2 weeks.

## Important Things to Remember this Week!

Wednesday: September ☺  
Friday: Reading Weekly Assessment  
Monday: No School—Labor Day

Reading theme of the week: Keeping in Touch
