August 10, 2017

Dear Parent(s),

Welcome to the 2017-2018 school year. Once again it is time to inform you of the current status of the bus routes. Attached you will find a route sheet with the estimated time of the first bus stop. Buses may be early the first day. Please have your child/children ready to go. This schedule is subject of change during the school year. You will be notified of any changes as soon as possible. The buses have to be at the school by 7:25am in order for your student to have breakfast.

If your child is not going to ride on a given day, please call the bus driver at the number given on the bus route sheet, or call Randy Osborn at the bus barn by 6:15 a.m. Because buses are full, it will be difficult to transport additional children who may be guests in your home. Permission to ride a bus must be made prior to the child getting on the bus. This may be done by having the child's parent phone the bus driver or me.

If the conditions of the roads are bad, please call the bus driver, or me immediately so that an alternate route can be taken. Parents may also be asked to take children to a designated area (highway, house, etc.) if the roads are bad.

For the convenience of the bus driver and the other children, please have your child ready to board the bus on time.

Sincerely,
Randy Osborn

Randy Osborn
Transportation Director
