Interviews

To wrap up our study of Women's History Month each student will be interviewing an influential woman in their life. Please help them with this challenge by connecting with the person they want to interview and make sure that the students are able to write down (and read) their answers as they conduct the interview. Thank you for your support. As always, you can contact me if you have any questions.

Spring Photos

Parent/Teacher Conferences

Thank you to all of you for the good conversations about your children. Each one of these kids is very special and it's fun to talk about all the growth and changes that we have seen!
