

Miss Opolsky's Kindergarten Class Newsletter

11/06/2018

What are we learning this week:

ELA: Students will be covering the sounds for y and x, as well as previous letters. We will be working hard on writing our letter l, and continuing reading through our Epic! Program. Students will work on quizzes to show understanding of comprehension for the books they read. We are working hard on decoding words, feel free to practice at home with 3 letter words!

Math: Students are working hard on our 10 skills in problem solving and adding numbers together to get 10! We take the chapter test this week.

Social Studies: Students will be continuing the combination with science to see how weather is different depending on where you live.

Science: Students will continue journaling the growth of our new caterpillars into butterflies and how the plants are growing! As well as looking at different ways to measure weather.

****We are running low on our snacks and would greatly appreciate anyone who could send in more! Thank you again for all who contribute and continue to do so! It is appreciated!****

Spelling Words!

We are focusing on words to help us with our sounds and math this week!

- fox
- yellow
- fewer
- less
- greater
- more
- van
- wind
- ten

Upcoming Dates!

Thanksgiving Break- Nov. 19-23
