

# Miss Opolsky's Kindergarten Class Newsletter

05/21/2019

## The last week and for the summer:

We made it through the year! This last week we will finish reviewing on Monday and Tuesday, then have a bunch of fun events the last two days.

I wanted to let you know this Tuesday Express contains your student's report card, NWEA scores for the whole year, and if you would like to continue practicing writing and sentence corrections with your student over the summer a packet for June and July. I want to make sure you have access to our various resources over the summer so please feel free to use or not use what you see fit.

ClassDojo will work over the summer if you would like login information for students, all programs students can gain access to any program we used during the year.

One more thing about ClassDojo! The great thing about this communication app is that I can graduate your students to their next teacher! So you won't have to go through the process again for next year! I will be doing this at the beginning of August so you will be able to contact me over the summer if needed. I will be at the school for the whole month of June as I train for my next position!

I really appreciate all of your support through this year with your students! You are amazing parents! Have a great summer!

## Apps available during the Summer!

Hello Parents! I just wanted to let you know that your students have access to Boost, Imagine Learning, and IXL for the entire summer! If you need any login information you can still reach me during the summer through ClassDojo!

## Upcoming Dates!

May 22-Science Day  
May 23-Last day of school

## Epic!

Epic has a special deal for the summer for anyone who has not purchased it! If you would like to check it out type in the link below! It is 3 dollars for 3 months! It works on computers, phones, and tablets!
