

SCHOOL NEWS

It's hard to believe that on August 10, 2020 we opened the doors to our school in Cheyenne Wells and say that on September 10, 2020 we are still open!! Congratulations to our students, staff, and community for rallying to make this happen. I am so proud of how all of you have adapted to how we open the school and are keeping it open. It's gratifying to watch both the elementary and secondary kids each morning as they arrive at school and how they cooperate with the daily routine.

TEMPERATURE CHECK AND SELF SCREEN YOUR CHILD DAILY!!

During this time we have put on a new roof, several new doors, 21 new air conditioners, a multitude of Chromebooks and various other upgrades to the overall technology of the district, not to mention the thousands of dollars expended for sanitizing and cleaning the buildings. All of this has been done wearing masks (which everyone hates), walking in one direction in both the elementary and secondary sections of the school, washing our hands, and working together to stay open each and every day. Our NWEA tests are finished and we are in the process of determining how to conduct parent/teacher conferences. There will be more on that in the near future. We will have a book fair in October that will have a different look than in the past but it still serves the same purpose. The Student Council has new officers and the NHS will welcome new inductees very soon.

TEMPERATURE CHECK AND SELF SCREEN YOUR CHILD DAILY!!

I would like to give a "shout out" to our boys' golf team who have had a great year so far and to one of our girls who is playing softball for Burlington. Many of our students are lifting, jumping, and doing what they do to prepare for what's ahead. I can assure you that our coaches and students are looking forward to the first of the year when we will get our sports seasons back!

TEMPERATURE CHECK AND SELF SCREEN YOUR CHILD DAILY!!

LET'S KEEP OUR SCHOOL OPEN!!
