*"Teaching
New Tomorrows"*

Cheyenne County School District RE-5

August 1, 2017

Dear Parents/ Guardians,

The first two days of school for classes K – 6th are dedicated to testing. Each student is assigned a block of time in which they will take a reading fluency test (DIBELS) and STAR reading test. NO elementary classes will be held at this time. School for K – 6th classes begins on Wednesday, August 16, 2017. In lieu of an open house, students and parents will visit their classroom at their appointed time.

Students will be asked to bring their school supplies and set up their desks. Teachers will inform parents of classroom routines and expectations also, while students are testing, parents are asked to go to the cafeteria to update all personal information; to include contact cards, medical information, etc. Please remain in the cafeteria while your child is testing. They will meet you there when they are finished. This testing will be completed BEFORE the school year starts. If you cannot make your assigned time, please call and reschedule it immediately.

Sincerely,

Cassie Turner
